Why don't we compromise and do at 10:30, would that be better for you?

Jan, can we consider doing it around 1:30 or 2? If not, 11:00 will be OK.

Thanks for the call.

I'm not the person you did the streams with before, but I will figure out who that was.
I will put Thursday, Dec 11 at 10 at our office (1001 Bishop St. American Savings Tower, 24th floor) on the calendar.

Let me know if there is anything you need from us in the meantime.

Thank you

Hello Lt. Jannusch,

In Captain Tucher's Sept. 28, 2007 letter to FTA he designates you the point of contact for the Transit Project. As I'm sure you are aware from all the media coverage, we are working on the preliminary design and environmental documentation. I work for Parsons Brinckerhoff and am concerned with obtaining all the necessary environmental clearances. I would like to propose a brief meeting with you to update you on the project and assure that we are moving forward with determinations for navigability and other aspects of the Bridge Act. Would you be free to come by our office on Thursday, December 11 at say 10? You are welcome to propose other dates or times. I look forward to meeting with you.

Thank you

Jan Reichelderfer
